VFA is an international, nondenominational relief and mission organization. It was founded by Christine and Antoine van den Assem in Germany in 1984.

During the revival of the 70's and 80's, they traveled as young missionaries overland to India. There the mission work began.

Our mission organization is supported by our partners giving and praying in faith.

What we do:

Where we work:

What you can do:

The mission of VFA is to reach the unreached in Asia with the Gospel. We do this by working with local partners. We send out and care for cross-cultural missionaries.

Our Goals:

Reaching the Unreached

Evangelizing

Church Planting

Discipleship

Prayer Mobilization

Providing Emergency & Social Aid

VFA focuses mainly on the 10/40 window in Asia. This is the geographical area between 10 and 40 degrees north latitude, which extends from North Africa to Asia.

The 10/40 window contains:

- The most and largest unreached people groups in the world.
- The core of Islam, Buddhism, Hinduism and Atheism.
- The most and poorest people in the world.
